Education

BACHELOR OF ENGINEERING (ISE)

Aug 2023 – May 2027

JSS Academy of Technical Education, Bengaluru-560060

- **Coursework:** Computer Networks, DSA, OS, DBMS, JAVA, python, C language.
- GPA: 8.8/10.0

Skills

Programming Language: Java, Python, C, JavaScript

Python libraries: Pandas, numpy, ScikitLearn, matplotlib

Frameworks: Jupyter, NodeJS, ReactJS, ExpressJS(RESTfull APIs), Pytorch, TailwindCSS

CS Fundamentals OS, DSA, CN, Software Engineering and Project Management

Databases: NoSQL Database(MongoDB), SQL

Projects

Sudha Herbal Beauty Parlor [🔗](#)

Jan 2026 – Feb 2026

- Responsive service-based web application implementing CRUD operations.
- The application built using MERN stack.
- It provides authentication, admin-side, customer-side for Appointment booking, Coupon purchase, Digital advertisement publishing management system.

PowerPredict

Sep 2025 – Oct 2025

- A scalable, full-stack platform to forecast India's electricity demand, achieving 90-93% predictive accuracy using the **CatBoost time-series** model.
- The application, built with **Python, FastAPI, and React**, features an interactive data visualization dashboard and key strategic modules.
- These modules facilitate dynamic **Demand-based pricing, Urban planning impact assessment, and Carbon emission forecasting**, demonstrating a clear pathway toward more sustainable and stable grid management.
- This includes many features making an impact in sustainability.

Attendance Bunk Calculator [🔗](#)

Aug 2025

- A responsive web application that helps students manage class attendance efficiently. This app dynamically calculates the number of classes that can be safely skipped and provides alerts based on attendance status:
- Case 1: Displays **Available classes to Bunk** maintaining minimum attendance.
- Case 2: Warns users to attend specific classes to **stay above the threshold**.
- Case 3: Alerts when all **Remaining classes** must be attended to meet required attendance percentage.
- Deployed on **Vercel** for seamless accessibility and responsive UI.
